

Welcome to LinkedIn Learning

We're glad you're here

LinkedIn Learning is a highly personalized learning experience designed to help you achieve your professional goals through learning you can access anywhere and immediately apply.

We encourage you to connect your LinkedIn account to LinkedIn Learning, so you'll have a richer learning experience powered by the data and insights of the LinkedIn network.

It's easy to use your LinkedIn account to connect to LinkedIn Learning using your SSO Link

- Copy the SSO link provided by your LinkedIn Learning Admin and paste it into your browser
- Enter your ACS ID credentials (username and password) to authenticate with Single Sign-On.

- Next, you'll be prompted to connect or create a LinkedIn account. If you already have an account, please use the email and password you used when registering, which may be your personal email address.

- Confirm your identity. Your organization may access and retain:

Jim, Supervisor

Profile information: (e.g. name, title, photo)

LinkedIn Learning Activity

Next, you will see a screen asking you to confirm your identity. Click accept and continue.
- Welcome, Jim. Before we get started, tell us a bit about yourself to help us personalize your learning experience.

Sounds good

- Select the skills that are of most interest to you. As you select skill categories, similar skills will populate that you may also be interested in.

- Set a weekly learning goal if you want reminders to continue learning each week, or skip the prompt – you can set a weekly goal later, if you wish.

- Start learning!

Here are a few benefits to connecting your LinkedIn account to LinkedIn Learning:

1

Save time with easy access directly from LinkedIn.com

2

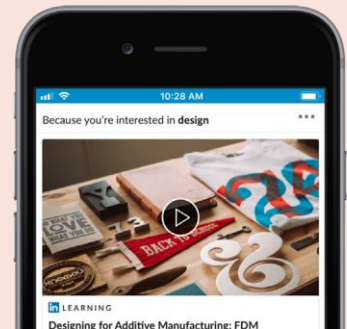

Experience more personalized learning with personalized recommendations based on your professional profile and what others in your role or industry are learning

3

Keep learning top-of-mind with high-quality, expert-led learning recommendations as you scroll down your newsfeed

One click and the course starts playing right in your newsfeed.

Don't have a LinkedIn account? Creating one is simple.

It's an easy process and only requires a name, email address, location, job title and company name.

Your data is secure and your privacy is our #1 priority

When you connect your LinkedIn account, rest assured that only your learning activity will be shared with your employer. No other activity or data from your LinkedIn account will ever be accessible or shared with your employer. See the [details of our Privacy Information here](#).
